

FamilyMatters

A JAFCO Support Network

At your side.

SibShops™

The Sibling Support Project

A safe space for siblings of children with developmental disabilities to talk about their feelings.

FamilyMatters offers free support groups for typical siblings of a child with special needs.

This group offers opportunities for typical siblings to gain support and meet new friends in a safe and fun environment. Through group activities, children are able to understand more about disabilities and learn how they can have a more meaningful relationship with their sibling.

Groups are held on Thursdays from 5:00 - 6:00pm.

January 12, 2023: Goal Setting, Dreams, Aspiration

February 9, 2023: Love

March 9, 2023: Walk in Your Shoes

April 20, 2023: Let it Grow

May 11, 2023: Let's go to the Beach

To register for the support group series, please contact, FamilyMatters Clinical Team Leader Kayla Jasper, MSW, LSW at kjasper@familymattersnetwork.org or 484-385-0729.

Registration required | Free of charge
